

BZ2263 54cm built-in upright freezer

Features

- 4 star rating
- Display type: LED
- Reversible doors
- Height adjustable feet
- Control system: Mechanical
- Fast freeze function
- Temperature rise signal: Yes

Technical specification

- Noise efficiency class: C
- Sliding furniture fixings
- Freezing capacity: 10.5kg/24h
- Total useable capacity: 200L net
- Noise level: 39dBA
- Climate class: N/ST
- Freezer net capacity: 200
- Max storage time (power failure): 11
- Number of compressors: 5
- Power cable length: 220cm
- Power supply: 13A
- Refrigerant type: R600a
- UK plug

Energy

- Energy consumption per annum: 263kW.h
- Energy rating: F
